Re: Administrative Consent Order U.S. EPA Docket No.  
CERCLA I-90-1035

Dear Ms. Muench:

This letter follows our May 9th telephone conversation concerning the schedule for submission of the Work Plan required by the above-referenced Consent Order. According to Paragraph D of Appendix A (the Scope of Work incorporated into the Order), UniFirst Corporation and W.R. Grace & Company are required to submit a Work Plan to EPA within thirty (30) days of the effective date of the Order. Barbara Newman has notified the parties that the effective date is April 27, 1990. As we discussed, because May 27 is a Sunday and May 28 is Memorial Day, UniFirst and Grace understand that Tuesday, May 29, 1990 is the deadline for submission of the Work Plan required by the Order. Please inform me as soon as possible if this understanding is incorrect. Thank you.

Sincerely,

*Deirdre C. Menoyo*
